DAY 1 MELBOURNE > HOBART

Your Tasmanian journey begins with a flight from Melbourne to Hobart, the island's historic capital and Australia's second oldest city. Founded in 1804, Hobart is a place where heritage sandstone warehouses line the waterfront, once bustling with whalers and traders, now home to stylish cafés, galleries, and boutique shops. Upon arrival, transfer to your central hotel and settle in for the evening. If time allows, take a gentle stroll along the historic harbour precinct, watching fishing boats and yachts in the marina as the scent of fresh seafood drifts through the air. Across the skyline, Mount Wellington rises majestically — its presence a constant backdrop to the city. Depending on the weather, you may choose to venture to the summit in the coming days for panoramic views. Tonight, we join for a welcome dinner sampling Tasmania's reputation for fresh produce and cool-climate wines. This evening is all about relaxing into the rhythm of Tasmania before your adventures begin. (D)

Overnight: Crowne Plaza Hobart for 5 nights.

DAY 2 SALAMANCA & BATTERY POINT

This morning, immerse yourself in Hobart's lively Salamanca Market, held every Saturday along the historic sandstone warehouses of Salamanca Place. One of Australia's most famous open-air markets, it draws both locals and visitors with more than 300 stalls offering everything from handcrafted jewellery and art to artisanal cheeses, local honey, preserves, and fresh seasonal produce. Wander at your own pace, sampling delicacies and enjoying the vibrant street performances that give the market its festive feel. Afterward, take time to explore Battery Point, Hobart's oldest quarter. With its narrow laneways, quaint cottages, and charming cafés, the area offers a glimpse of 19th-century colonial life. In the afternoon we will visit Cascades Brewery and Co and learn the art of creating one of the nation's oldest beer recepies. Finish your visit with a refreshing paddle. (B)

DAY 3 BRUNY ISLAND

Today brings a full-day exploration of beautiful Bruny Island, renowned for its wilderness landscapes and outstanding artisan produce. After a scenic drive and ferry crossing, begin a culinary journey that takes you from coast to countryside. Visit Bruny Island Cheese Company for tastings of handcrafted cheeses and local beers, indulge in sweet treats at the Chocolate Company, and sample golden Bruny Island Honey. A highlight is Get Shucked's famous fresh oysters, enjoyed right by the water. Along the way, enjoy encounters with Bruny's dramatic scenery — from sweeping beaches and rugged sea cliffs to pockets of temperate rainforest. Hear stories of the island's cultural and natural heritage as you journey between producers, blending indulgence with discovery. Return to Hobart in the evening with a deeper appreciation of Tasmania's rich food culture and stunning landscapes. (B,L)

DAY 4 MONA & MOORILLA ESTATE

This morning, board the ferry along the Derwent River to the Museum of Old and New Art (MONA), one of Australia's most daring and talked-about cultural attractions. MONA's underground galleries challenge perceptions with provocative contemporary works and ancient artefacts, displayed in an extraordinary setting carved into sandstone cliffs. Wander at leisure, engaging with the interactive displays that make MONA so unique. For lunch, enjoy a four-course chef's menu at The Source Restaurant, part of the Moorilla Estate winery adjoining the museum. With sweeping vineyard views, it's the perfect setting to savour Tasmania's renowned wines paired with seasonal produce. In the afternoon, take the return ferry back to Hobart, where you may choose to enjoy free time exploring local galleries, the waterfront precinct, or the leafy Royal Tasmanian Botanical Gardens. Dinner this evening is at leisure, with plenty of options for seafood, modern bistros, or casual dining near Salamanca. (B,L)

DAY 5 HUON VALLEY

Journey south into the lush Huon Valley, long celebrated as Tasmania's apple-growing heart. The day begins at Willie Smith's Apple Shed, where a guided cider and spirit tasting introduces you to Tasmania's apple heritage. A shared lunch of local produce follows, accompanied by cider paddles and f inishing with a warming apple pie paired with Willie Smith's craft spirits. In the afternoon, continue to Home Hill Winery, nestled among rolling vineyards. Here, enjoy a premium wine tasting, sampling award-winning Pinot Noir and Chardonnay while soaking in the views. Along the way, take in the valley's orchard-dotted landscapes, the Huon River winding its way to the sea, and perhaps spot roadside farm gates selling fresh fruit and jams. This tour blends Tasmania's rural charm with gourmet indulgence, offering a genuine taste of the region. Return to Hobart in the evening, with time to relax before dinner at leisure. (B,L)
